## TIMBERHILL ATHLETIC CLUB MIND/BODY CLASS DESCRIPTIONS

**Back Clinic I** – A rehabilitative approach to optimize the regional dependence and inter-linking of the skeleton, joints and musculature through proper movement patterns. The class features therapeutic isometric, concentric and range of motion exercises based on the scientific principles of developmental kinesiology. Open to all levels.

**Back Clinic II** – Based on the fundamentals of Back Clinic I, this class offers a greater emphasis on core stabilization through proper muscular coordination and intra-abdominal pressure regulation by the central nervous system (CNS). This class gives the functional tools for the CNS to activate the intrinsic spinal stabilizers to optimize the kinetic movement system for both rehabilitation and human performance. Open to all levels; exercise modifications will be provided.

**Barre Dance Flow** is a fusion of the foundations of dance and the Barre Above technique. A strong emphasis is placed on alignment, form, balance, and connecting to the power of movement, in addition to integrating ballet, modern dance, and jazz. This class utilizes props such as balls, resistance bands, and the ballet barre. No dance experience required.

**Group Centergy** incorporates yoga and Pilates fundamentals with athletic training for balance, mobility, flexibility, and the core. Emotive music drives the experience as you breathe and sweat through this full-body fitness journey. REDEFINE YOUR SELF.

**MELT** will help erase pain and tension in your hands, feet, neck, and your entire body brought on by everyday stress, overuse, and age. This simple self-treatment can make your whole body feel better and provide relief from neck and low back pain, arthritis, bunions, plantar fasciitis, and carpal tunnel syndrome. This class will integrate MELT length, strength and core elements. MELT soft foam rollers and MELT balls will be used in class (equipment is provided).

**Nia** provides the joy of dance and the relaxation and focus of yoga by fusing movements from dance, martial arts, and healing arts. The opportunity to work core, cardio, flexibility, and strength at the intensity level of your choice makes this an excellent class for beginners to experienced movers.

**PiYo Flow Fusion** gives you the physical and mental benefits of yoga while sculpting and toning every muscle in your body. Set to the best music, every PiYo class is a transformational experience on the mat. With a focus on mind/body connection, flexibility, mobility, and core strength, it's the perfect class for every age and fitness level.

**Pilates** mat classes improve strength, flexibility, coordination, alignment and balance. Participants work on building core strength and enhancing the mind/body connection. Great for strengthening the abdominals and lower back, Pilates classes vary in intensity and complexity.

- **Gentle Pilates** features all the benefits of a Pilates mat class at a more relaxed pace and is ideal for those new to Pilates, recovering from injury, or coming back to exercise.
- **Power Pilates** offers concentrated mat exercises and rhythmic breathing to strengthen and tone the body with a strong emphasis on the core. For the person who likes variety and challenge, this class moves at a brisk pace and includes traditional and more advanced exercises, as well as the use of occasional props. This class will leave you with improved posture, increased lung capacity, sculpted muscles, greater flexibility, and relaxation.

**Tai Chi/Qigong** are gentle exercise techniques that incorporate a series of bodily postures and movements in a slow and graceful manner, with each movement flowing, without pause, to the next. Tai Chi can be helpful in achieving a state of physical and mental relaxation while also strengthening the cardiovascular and immune systems.

**Yoga** is a 5,000 year old practice emphasizing the connection between the mind, body, and breath. A yoga class develops strength, balance, stamina and flexibility while focusing on mindful movement and awareness of breathing.

- **Gentle Yoga** is designed for the beginning Yoga student, those recovering from injury or illness, pregnant women and anyone seeking a relaxing, strengthening and inspiring practice. It is slow and modified to your own best interests and limitations.
- **Therapeutic Yoga** is a carefully designed combination of Gentle Yoga, awareness exercises, restorative yoga poses (supported postures), and breath work. Excellent for beginners or those with injuries.
- **Vinyasa Flow Yoga** (translates to "flowing with breath") is a dynamic style of Hatha yoga which joins physical postures, or asanas, with inhales and exhales, creating a steady internal rhythm for the practice. Class includes creative sequences involving sun salutations, standing and seated postures, back bending, arm balancing, and a strong focus on the power of breath awareness. Suitable for all levels.
- **Yoga/Pilates** integrates a varied selection of therapeutic yoga postures, aerobic breathing exercises, and relaxation techniques for the first 45 minutes. The class ends with Pilates core-strengthening exercises. Modifications emphasized for all levels.
