Yoga is a 5,000-year-old practice emphasizing the connection between the mind, body, and breath. A yoga class develops strength, balance, stamina and flexibility while focusing on mindful movement and awareness of breathing. Postural and movement sequences practiced with focused awareness to foster strength, flexibility, balance, and range of motion. Options offered for all abilities.

Specific Yoga Formats:

- **Chair Yoga:** Chair yoga is practiced either sitting or using chairs for support in various postures. For anyone who has difficulty getting down to the floor (and that extra challenge, getting back up!), this is for you. Emphasis on joint mobility, range of motion, balance, and strengthening, in a friendly and compassionate atmosphere while meeting you where you are.
- **Gentle Yoga** is designed for the beginning Yoga student, those recovering from injury or illness, pregnant women and anyone seeking a relaxing, strengthening, and inspiring practice. It is slow and modified to your own best interests and limitations.
- **Mindful Yoga** incorporates yoga postures, movement, breath work, guided meditation and relaxation. This practice increases awareness of our body/mind, while allowing a therapeutic process to happen bringing healing and wellbeing.
- **Simply Stretch Yoga** This all levels/all bodies class is designed specifically for those interested in a gentle practice. Combining gentle yoga poses, breath work, with attention to alignment and safety. Mindful strengthening and stretching to increase flexibility and range of motion.
- **Vinyasa Flow Yoga** (translates to "flowing with breath") is a dynamic style of Hatha yoga which joins physical postures, or asanas, with inhales and exhales, creating a steady internal rhythm for the practice. Class includes creative sequences and a strong focus on the power of breath awareness. Suitable for all levels.
- **Yoga/Pilates Fusion** focuses on restoring and maintaining your physical body through yoga postures, balance, and core strength. Expect opportunities to grow in strength, flexibility, and agility. This is an all-levels class so options for modification will be provided based on the challenge level needed by each member.
